WEB DESCRIPTION

Universal, innovative flip case which, thanks to the Anti-Radiation System, effectively protects you against electromagnetic waves when you talk with the flip case closed. Inside you can find "JoinMe", the fastening system with suction cups that securely holds the smartphone in place. The case does not obstruct and offers maximum protection so you can make the most of your phone's functions. The rear cover has a practical fold so that you can easily and quickly use your smartphone's camera.

FEATURES

Material:

- The Anti-Radiation System protects you efficiently from the radiation with the cover closed even while speaking
- The smartphone functions are not affected
- JoinMe: Fastening system with removable adhesive suitable for all phones
- Secure magnetic closure
- Front flap for full device protection
- Anti shock padding
- Ultra-slim design
- Fold-and-shoot: the practical flap is foldable for easy access to the rear camera.
- Internal pocket for credit cards
- Place your phone inside and check the size
- We guarantee a perfect adhesion on smooth surfaces
